Association of University of Michigan Chinese Professors

We are University of Michigan faculty of Chinese heritage regardless of their country of origin or citizenship.

The mission of the Association includes:

- (i) to promote interactions among the members;
- (ii) to exchange ideas on how to thrive at the University of Michigan and how to excel as an educator and researcher;
- (iii) to have a support network and to promote the interests of its members;
- (iv) to promote academic and cultural exchange between China and the US.
